Seagrave Quality, Safety, and Warranty

At Seagrave Fire Apparatus, we can refurbish and/or update your tired aerials, pumpers, and rescues to "like new" condition for a fraction of the replacement cost.

All work is tailored to your needs, and performed at our factory service facility by dedicated and skilled technicians to ensure your satisfaction. We can completely rebuild your vehicle or just a portion of it, as needed. Progress photos are furnished throughout the project and inspection visits are always welcome.

Our comprehensive refurbishments, re-chassis, conversions, and updates are all available at competitive pricing, and all work carries the Seagrave warranty. Seagrave can also provide financing for your apparatus project.

For complete information, or to start the quote process for your apparatus needs, contact the refurbishment center at Seagrave Fire Apparatus LLC, (715) 823-2141.
